

PRESS RELEASE

ISEC7 among the 20 most promising mobile Enterprise Solution Providers

The EMM expert from Germany earned a place on the CIOReview List 2016.

Hamburg, August 9, 2016 – According to the US CIOReview List 2016, the enterprise mobility expert from Hamburg ISEC7 Group is one of the 20 Most Promising Enterprise Mobility Solution Providers 2016. A distinguished panel comprising of CEOs, CIOs, VCs, analysts, and CIOReview’s editorial board has selected the top players out of over 300 mobility management companies.

Marco Gocht, CEO ISEC7 Group, says: „We are honoured and proud to be recognized by CIO Review’s experts for our solutions ISEC7 EMM Suite and ISEC7 Mobility for SAP. We aim to be seen as a true ‘360 degree mobility solution provider’ worldwide, assisting companies with the design, the support, and the operation of their global mobile enterprise infrastructures.“

“The companies selected for our 20 Most Promising Enterprise Mobility Solution Providers 2016 List are an elite group of companies whose products and solutions are changing their respective industries”, said Jeevan George, Managing Editor of CIOReview. „ISEC7’s solutions facilitate the use of complex infrastructures and deliver relevant information to keep business processes running smoothly.“

ISEC7 Group has more than 13 years of experience in designing, implementing and operating mobile infrastructures. Together with their clients, the ISEC7 experts define their customer’s mobile strategy, analyse existing organisational processes and assist them to adopt evolving mobile technologies.
