

PRESS RELEASE

ISEC7 Group at DSAG Annual Congress

The enterprise mobility expert to present applications and user experience with ISEC7 Mobility for SAP.

Hamburg, September 21, 2017- This year's DSAG annual congress has the theme „Between the worlds – ERP and digital platforms“. Highly qualified industry experts will demonstrate numerous business cases in the SAP environment at the most important congress for SAP users at the Bremen congress centre on September 26 to 28. At the booth E9, the Hamburg based enterprise mobility expert ISEC7 Group (ISEC7) will showcase applications of its leading mobile SAP solution: ISEC7 Mobility for SAP. The solution offers mobile access to SAP data and systems without expensive middleware and without having to integrate additional technologies.

Visiting the ISEC7 booth will pay off: Interested visitors are invited to meet the ISEC7 SAP team to learn about the latest developments on different mobile devices and also to discuss experiences and trends with the experts for mobile SAP. Also, the new standard packages for ISEC7 Mobility for SAP are presented: Customers benefit from out-of-the-box packages, easily adoptable with ABAP for sales (ERP and CRM), service technicians (ERP PM and CS, CRM), asset inventory, CATS time recording, workflow approval, warehouse and production (confirmations and inspection lots), meter management for utilities and exhibition lead recording.

Marco Gocht, CEO ISEC7, explains: „The DSAG annual congress is the ideal platform for presenting our leading SAP solution ISEC7 Mobility *for SAP*. Companies need to mobilise their data in order to respond to the actual market requirements. As one of the top players in the mobility sector, we are familiar with all aspects of mobilisation. We feel committed to offer the best services for integrating, optimising and extending mobile business processes based on our experiences and expertise.“

Journalists are invited to discuss with ISEC7 Group experts - September 26-28, booth E9. For an interview appointment or further information, please send an email to: ISEC7@cream-communication.com.
