ISEC7 Group releases ISEC7 EMM Suite 4.5

With the start of Mobile World Congress, the enterprise mobility expert presents the new version of its successful EMM Suite for managing and monitoring mobile infrastructures.

Hamburg, February 27, 2017 – Perfect timing: At this year's Mobile World Congress (MWC) with the theme „Mobile: The Next Element", the enterprise mobility expert ISEC7 Group (ISEC7) presents the new version of its successful EMM Suite for efficiently managing EMM solutions. The ISEC7 EMM Suite is a highly effective, platform independent and web-based hybrid EMM management and monitoring suite. It supports companies in operating their mobile infrastructures. The solution is comprehensive and globally applicable and has been awarded as "Most Innovative Enterprise Application" by the UEM manufacturer BlackBerry. The new version convinces with supporting further EMM solutions, higher performance and a new design.

Marco Gocht, CEO ISEC7 Group, explains: „The high quality of our EMM solutions reflects our long-time experience and specialisation in this area. We are committed to a comprehensive approach to enterprise mobility management. With the ISEC7 EMM Suite, we ensure the high availability and an uninterrupted operation of mobile infrastructures in companies. This is the basis for the next level of mobile working – mobilising business processes with apps in the course of digital transformation."

The current release of the ISEC7 EMM Suite offers:

- **Performance**
  Significant performance improvement for large mobile infrastructures with more than 100,000 devices
- **ActiveSync Monitoring**
  Monitoring of the ActiveSync connections between the mobile device and the mail system for an improved fault analysis, stress behaviour and detailed connection data on the device level
- **Support of further EMM solutions**
  Support of further EMM solutions and versions with BlackBerry UEM (12.6), Good Dynamics and AirWatch (Beta-status)
- **New design**
  Updated user interface of the ISEC7 EMM Suite for a simpler and easier administration

Since 2003, ISEC7 Group (ISEC7) has been one of the first movers in the area of enterprise mobility and it is gradually extending its position on an international scale. The company convinces with innovative solutions and specific know-how and provides mobile solutions for every requirement. From the mobile connection of SAP data for Android, iOS, BlackBerry and Windows 10 devices over mobilising E-mails, appointments and contacts

via mobile authorised third parties on iOS, Android and BlackBerry devices through to private hosting of the complete mobility infrastructure in the ISEC7 Mobility Cloud in accordance with the German Data Protection Law.

About ISEC7 Group
The ISEC7 Group (www.isec7.com) is a global provider of mobile business services and software solutions. The company was one of the first movers in mobilising company and business processes. Today, ISEC7 has numerous renowned companies and governmental organisations as committed customers. The company continually invests in the evaluation and development of new technologies. ISEC7 solutions, such as ISEC7 EMM Suite, ISEC7 Mobile Exchange Delegate, ISEC7 Mobility *for SAP* and ISEC7 Mobility Cloud have proven to be ground-breaking in the mobility sector.

The ISEC7 EMM Suite, a comprehensive globally applicable MDM solution, has been presented as the "Most Innovative Enterprise Application". ISEC7 Mobility *for SAP* allows access to SAP backend without the need for additional middleware. The solution 'ISEC7 Mobile Exchange Delegate' ensures mobile access to Microsoft Outlook calendar, email and contacts from third parties via BlackBerry, Android or iPhone. ISEC7 Mobility Cloud is an innovative and ground-breaking Managed Service for the provision of customised Enterprise Mobility infrastructures based on EMM solutions like the ISEC7 EMM Suite, BlackBerry Enterprise Service 12, Good, MobileIron, Samsung EMM, Microsoft EMS or Airwatch.

ISEC7 was founded in Hamburg/Germany in 2003. The company operates globally with offices in Germany, UK, Spain, Switzerland, USA and Australia.
