# ISEC7 receives BlackBerry Awards

**The global enterprise mobility expert was honored as one of BlackBerry's top integration partners.**

Hamburg, GERMANY/London, September 12, 2018 – ISEC7 Group (ISEC7) has received BlackBerry Awards in the ISV Category “Top Innovation” and in the Channel Partner Category “Top Specialist” in London. The global enterprise mobility expert was honored for its excellent consultation and professional services as one of BlackBerry's top integration partners during the BlackBerry Security Summit in London on September 11.

Marco Gocht, CEO ISEC7 Group, says: “Receiving the BlackBerry Awards makes us extremely proud. We’ve been a BlackBerry partner for more than 15 years, working cooperatively to help our customers in all areas of mobilizing business processes. We continuously improve our professional services and innovative software solutions. This placement is an important acknowledgement for us showing that our investments pay off. My appreciation goes to the ISEC7 team, it has done a great job.”

Axel Conrad, Director, Enterprise Channel Sales, Central, South & Eastern Europe at BlackBerry, commented: “This award programme recognises the hard work of those in the middle markets, and their continued professionalism and dedication. I am happy to be able to acknowledge ISEC7 as one of our deserving winners and wish them continued success in the future.”

ISEC7 has been a strategic and global partner for BlackBerry since 2003, delivering services, software solutions and support for the BlackBerry mobility platform to more than 1,300 business customers. The company was awarded as one of the first international partners the Platinum Partner Status of the BlackBerry Enterprise Partner Program in 2016.

With more than 16 years of experience in developing, implementing and operating mobile infrastructures, ISEC7 experts, together with their clients, define mobile strategies, analyze existing organizational processes and assist with the introduction of mobile technologies.
